

*A vehicle for understanding and appreciating
the natural wonders
in our own backyards.*

Annual Membership and Donation Form

It's a beautiful thing to see a young person's eyes light up when we take them outdoors for studies about local natural resources -- natural resources that are in their own neighborhoods. Opening the eyes of young and not-as-yong people to the wonders of our region helps to inspire a sense of pride for the natural environment in which we live and promote a curiosity and desire to learn more. The beauty of the Prairie

Ecology Bus Center programming is our focus on bringing the environmental education to you. Rather than have you come see what's special at our place, we come to you to help you explore, understand and appreciate the natural resources of your own local places.

Becoming a member donor to the PEBC enables the PEBC staff to continue their development and delivery of innovative programs to more than 20 counties throughout southern and western Minnesota and northern Iowa. Your membership contribution helps bring much needed awareness about the rich natural heritage that we have and an understanding of its function and importance.

By being a PEBC member, you are entitled to discounts on our public programs, PEBC's newsletter - the *PEBC Express*, invitations to special events and the knowledge that you are supporting a unique and effect education program.

Thank you in advance for your support!

Annual Membership Categories

- \$20 • Individual
- \$30 • Family
- \$100 • Business

Donations

If you would like to make a donation in addition to the membership level listed, please list the amount here \$ _____

Total amount enclosed: \$ _____
